

Charge devices up to 2X faster with the Ultra-Fast PLUS Power Delivery USB Outlet. Made to deliver a leading 30 Watts of power and featuring two built-in Type-C USB connections, this solution adds advanced Power Delivery to the industry-leading amperage of our Ultra-Fast line. The result is a faster, future-proof option for convenient in-wall charging, specially designed to optimize performance for your Power Delivery-enabled devices. Easily replace a traditional outlet in as little as ten minutes to gain the modern functionality of intelligent charging for maximized speeds, complete with multi-layered overcurrent protection to keep the outlet and your devices safe from damage.

Features & Benefits

- Charge the latest devices up to 2X as fast, thanks to the industry-leading 6.0A of our Ultra-Fast line and a whopping 30W of power courtesy of advanced Power Delivery
 - Built for intelligent charging, the outlet detects and delivers the precise amount of power needed to maximize charging speeds
- Provides fast and convenient built-in charging through two future-proof USB Type-C ports, accommodating new and upcoming devices without an adapter
 - Helpful indicator light lets you see charging status at a glance. Light glows yellow while charging is in progress, and shows green once the device battery is at 90% or more
- Includes multiple layers of overcurrent protection, ensuring the outlet and your favorite devices can charge at optimal levels without risk of damage
 - All Legrand USB Outlets are manufactured through high-quality design, sourcing and production, and backed by a Lifetime Warranty
- Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisible-shutters" for an invisible effect
 - Replaces a traditional outlet easily, in as little as 10 minutes, with features like scalloped cover design and posted side-wire terminal screws for faster installation
- More color options available to fit any style, including finishes to match current hardware and lighting trends
 - Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection

Specifications

General Info

Color	Bronze	UPC Number	785007290059
Country Of Origin	China	Product Line	Pass & Seymour
Finish	Dark Bronze	Application Sector	Residential/Commercial
Type	Tamper-Resistant, USB		

Additional Information

RoHS Conformant	Yes
-----------------	-----

Technical Information

Voltage	125 V	Mounting Type	Box
Output Current	6A	Connection	USB Type C/C
Current Rating	15 A	Indoor/Outdoor	Indoor
