Product Description

Our Flambeau inspired kitchen pendant is designed with a classic Greek key like metal outer drum with an ivory linen inner shade made into a hanging adjustable pendant creating a striking focal point. In the latest neutral tones of silver and cream, it is the perfect addition to your bedroom, kitchen, or over your bar. We finished this pendant with a white acrylic diffuser for soft light without the glare. Our Large Lemuria Pendant is shipped with extra stems for adjustable length, and can be installed as a semi-flush mount fixture for use in hallways and closets.
