## Product Description

Classic style meets Rustic charm in this French country inspired 2 Light sconce. Using a simple Empire shape we added hand sculpted, distress-gold bobeches and lined the wrought iron frame with clear classic beads. The weathered silver base and unique pattern of mixed finishes allows this wall sconce to show off its red-carpet appeal and to shine through with on-trend style that can only be found at Lucas McKearn. This candle style sconce uses a traditional shape that works well in stairwells, dining rooms and bathrooms. We added our beautifully hand-painted finishes to enhance the look of today's home decor accents giving a whimsical and charming blend of styles creating you a favorite space in your home.
