Product Description

Lucas + McKearn's newest glass table lamp, the Valencia shows off our historical design inspiration with the use of a traditional French Wire design, and the glamorous shape and color. More than just functional for your modern home, this orange and amber table lamp lends artful appeal to your space as it shines. Try adding one to your entryway to add warmth as your guests arrive or in the nursery suite for a mini makeover. Crafted from a circular, translucent glass base showing the pulled and sculpted effect, it's topped off with an empire shade in a matching hue for a finished look.
