

PRODUCT DESCRIPTION

The timeless Empire chandelier shape styled in timeworn, natural finishes uses durable steel in a Driftwood finish that includes a spherical ornament in matching finish. The arms curve steeply, swept lower than the chandelier's center, emphasizing the chandelier's height while mitered angles at its top accentuate the thickness of the barrel-like planks. Exposed candelabra lamps on Anthracite candle covers adding texture and contrast. The result of the organic wood tones reduces the formality of the classical shape making the elegance of this design more inviting.
