M50033

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Install proper bulbs (not included) into socket referring to the markings and/or labels on the fixture for maximum wattage.
4. Install the glass shade (4) onto the cover (3). Use the round nut (2) to secure.
5. Refer to the additional installation instructions included with the product for wiring and installation.
6. Restore power to the installation point and retain this sheet for future reference.
