

# HIKARI

H681804-AGB/SWH

With Hikari there's no need to read between the lines—they're straight, curved, sleek and cool. Deliberately placed decorative round balls on each arm add a sculptural element. The chandelier sends light in every direction and the swinging sconce lives up to its name—directing light where it's needed most. Finished in aged brass and available as a wall sconce, plug-in sconce and chandelier in two sizes, Hikari is sure to find a place in your space.
