Union Square

Inspired by historical reproduction gas lanterns, Union Square now offers options in bath and vanity fixtures. A Stainless Steel finish complements the natural polished material and clear flat glass panels. The sconces are open on the top and bottom, providing character and visual appeal to the form.

- Design inspired by historical reproduction gas lanterns
- Features popular Stainless Steel finish to complement the natural polished material and clear flat glass panels
- Uses one 60 watt max, medium base lamp bulb (sold separately)
- Perfect showcase for vintage style bulbs including Progress Lighting P7825-01
- The sconces are open on the top and bottom, providing character and visual appeal to the form
- Perfect choice to add task lighting on either side of mirror to eliminate shadows on face when getting ready in the morning
- In addition to bath areas, sconces are suitable for hall & foyers to add ambient lighting
- Versatile lighting fixture that complements vintage electric, urban industrial, rustic farmhouse and modern farmhouse interiors
