

## ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Install one end of arm (3) into the hook (2), and the other end into hook (4). Repeat for each side.
4. Install an led bulb (6) into each socket (5), then secure with crystal (7).
5. Refer to the additional installation instructions included with the product for wiring and installation.
6. Restore power to the installation point and retain this sheet for future reference.
