

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustrations for parts identification.
2. Turn the power to the installation point OFF.
3. While threading the wire through, assemble the rods (5) together using the nipples (4). Attach the end of the rods (5) onto the nipple (6).
4. Secure the chain loop (3) onto the top of the rods (5).
5. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
6. Install the glass shades (8) onto the coordinating sockets (7).
7. Use the quick link (2) to connect the chain loop (3) to the canopy (1). Twist the locking mechanism to secure.
8. Refer to the additional installation instructions included with the product for wiring and installation.
9. Restore power to the installation point and retain this sheet for future reference.
