

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Unravel the supply power and ground wires and pass them through the center holes of center rod (G), cap (E), coupling (D) and loop (C).
4. Thread the bottom of center rod (G) onto the protruding nipple at top of the fixture body (A). Hand tighten until snug.
5. Align the bottom holes of the decorative arm (H) and frame (B) together, securing with screws (J). Then align the top screws of the decorative arm (H) to the holes of the center rod (G), securing with finials (F) as shown in the diagram. Repeat the process to assemble the decorative arm (I) alternately.
6. Place cap (E) and coupling (D) over the nipple of the center rod (G), securing with loop (C).
7. Refer to the additional installation instructions included with the product for wiring and installation.
8. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
