Description: Pared-down and straightforward, LP's refined, hard-edge wall mounted presence creates evenly diffused LED spatial compositions. This collections indirect ambient light counters its round and square shapes and creates a halo effect against the wall or ceiling. This timeless geometric form is ideal for any indoor or outdoor architectural space. This collection can be scaled for larger residential, hospitality and commercial settings. LP's IP65 rating paired with the subtle ambient light it projects make it an ideal collection for outdoor locations.
