

CRYSTORAMA LIGHTING

ASSEMBLY INSTRUCTION MODEL #BEL-A8069-TZ

All electrical components must be installed by a licensed electrician in accordance with the National Electric Code and the appropriate local electrical codes.

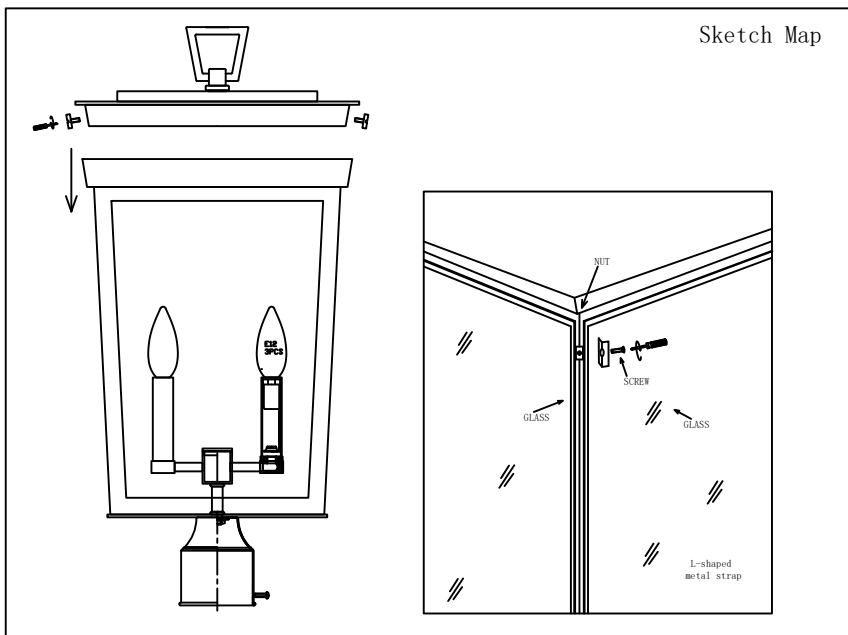

You will need 3 – Cand.BULB
60 Watts Max Bulb not included
USE LED BULBS FOR EXTENDED USE
This fixture is wet rated

How to Install

1. Place the fixture over the post and mark three points on the post at the center of holes on the post fitter.
2. Drill the holes at the marked points.
3. Take the bottom cage down by removing the cap nuts.
4. Insert two glass panels on adjacent sides of the bottom cage. While holding the glass, take a bracket and align the hole on the bracket with the hole on the cage. Tighten a screw into the hole securing the glass. Do not over tighten the glass to prevent the glass from breaking. Repeat for the remaining two glass panels.
5. Install the bulbs into the socket.
6. Screw the the top cover and the bottom cage by cap nuts.
7. Make wiring connections, then place fixture base over the post and secure down by tightening with side screws
