

CRYSTORAMA

LIGHTING THE WAY FOR SIXTY YEARS

ASSEMBLY INSTRUCTION MODEL # DRB-7005-SG

Crystorama.com

WARNING:

Electrical Danger

Turn Power Off

All electrical components must be installed by a licensed electrician in accordance with the National Electric Code and the appropriate local electric codes.

You will need 5-Candelabra Base Bulb
40 Watts recommended 60 Watts Max.

USE LED BULB FOR EXTENDED USE

THIS FIXTURE IS DAMP RATED.

How to install

NOTE: Please place the capiz shell frame on the soft cloth covered table when installing the fixture. Please handle the capiz shell frame gently to avoid the shell from damaging.

1. Decide the preferred hanging height and choose the correct chain length needed.
2. Install the mounting bar onto the outlet box.
3. Screw the rod onto the loop and feed the wire through the chain link and chain. Hook one end of the chain link onto the loop of the rod and the other end onto the collar loop. (To prevent the paint from being scratched off, please do not remove the bubble wrap around the loop until the fixture is fully assembled).
4. Raise the fixture up to the ceiling and do the wire connections. Secure the canopy to the ceiling with the collar ring.

WARNING: This product can expose you to Lead, which is known to the State of California to cause cancer and/or birth defects or reproductive harm. For more information go to www.P65Warnings.ca.gov.
