

ASSEMBLY INSTRUCTION MODEL #JLS-2901-AG-WD

All electrical components must be installed by a licensed electrician in accordance with the National Electric Code and the appropriate local electrical codes.

You will need 1 - 3.5W G9 LED bulb included.

THIS FIXTURE IS Damp RATED

How to Install

1. Install the mounting strap onto the outlet box.
2. Install backplate onto the mounting plate, and secure with the cap nut.
3. Install the bulb(included) into the socket.
4. Remove the finial from the bracket on top of the backplate and slide the glass over it. If the glass is not level, remove the glass and adjust the bracket to make the glass sit level. Put the glass back and secure with the finial.
