DETAILED ILLUSTRATION

How to Install

1. Do a complete inventory of all parts and components before you start installing.
2. Attach the threaded pipe onto the coupler of the frame.
Note: Do not install the glass dish until the crystal strands have been dressed.
3. Attach the mounting plate onto the outlet box using two outlet screws.
4. Install the fixture onto the mounting plate using the two ball nuts.
5. Install bulbs (not included) and proceed to connecting the power.
6. Hang one end of the crystal strand onto the band ring, the second end of it onto the metal plate.
7. Place the glass dish and small metal dish over the threaded pipe, secure it with ball finial.
8. IMPORTANT: Apply crystal sets in alphabetical order.

Crystal Sets
