Waikiki Large Blue Pineapple

1200-0481

Overall: 21"h x 10.75"dia

Finish: Blue/White

Materials: CERAMIC

Item Weight: 32 lb

The Waikiki Large Blue Pineapple decorative accessory is handmade of stoneware by women artisans living at the border of Burma and Thailand. From the Hawaiian shores to 1940s Miami, the pineapple has long been a symbol of hospitality. Place this powdery blue and white ceramic sculpture prominently in a room to make a bold statement. We also offer the tabletop sculpture in a medium size in blue with a shorter crown of leaves, and in both sizes in green.
