## Manitapi White Vase

1200-0491

Overall: 11"h x 12"dia

Finish: White

Materials: CERAMIC

Item Weight: 20 lb

The Manitapi White Vase is made by a group of elderly women who live at the border of Burma and Thailand. Made from black terracotta, this incredible hand-thrown white vase is completely covered in handmade bell-shaped flowers. Once the blossoms are in place, the vase is glazed with a crisp white. We also offer the Manitapi in two sizes in a dark blue.
