## Kadali Accent Table

4000-0130

Overall: 23"h x 16.5"dia

Finish: Antique Brass

Materials: CAST ALUMINUM

Item Weight: 16 lb

The Kadali Accent Table, made from cast aluminum in an antique brass finish, is a shape-shifter. Viewed from head-on, the motif that flows up from the base to bring its profile an artful fluidity looks like thick links in a slack chain. View it from the side, and it is a slimmer version of itself that looks mysteriously abstracted. Exhibiting the qualities of fine castings, the top has a beautiful textural quality to it.
