

# Jarold Direcional

## Unique and Effortlessly Versatile

The Jarold Direcional fan head can be gracefully positioned in an infinite 180-degree arc, both forward and reverse, delivering a perfect, directional breeze tailored to your space. Whether nestled in a cozy, unconventional corner or strategically placed in front of HVAC ducts, the Jarold Direcional elevates your room’s heating, ventilation, or air conditioning efficiency with remarkable ease. Crafted from durable cast aluminum and meticulously spun and stamped steel, this fan is as enduring as it is elegant, promising years of reliable performance. With its refined construction and timeless design, the Jarold Direcional is backed by a limited lifetime warranty.
