

PRODUCT DESCRIPTION

Glamourous and modern, this two-toned lighting collection plays with form and scale. A layered composition of materials, tubular lamps are protected within glass tubes sheathed in metal shades with oval cut-outs that reveal the light source. Chandelier Arms extend in elongated, uneven heights while the sconces are over-scaled for dramatic applications. Available in contrasting finish combinations of Light French Grey with Natural Aged Brass or Matte Black with Antique Brass, the vibrant color palette plays with contrast and exudes luxury.
