

PRODUCT DESCRIPTION

This fashionable modern chandelier combines solid wood shades with warm bronze and brass tones. Posing with arms akimbo, a combination of walnut stained oak and Satin White glass shades creates a transitional statement in mixed materials while also providing pleasant glare-free lighting. A coordinating swing arm wall sconce extends horizontally using an attractive and sturdy arm structure. This collection blends with a variety of styles thanks to its two-tone Dark Bronze and Antique Brass finish and the natural tones of the wooden shades. LED lamps are conveniently included with the fixtures as an all-inclusive package, making them energy efficient as well.
