Gatlin

PD226636

PRODUCT DESCRIPTION

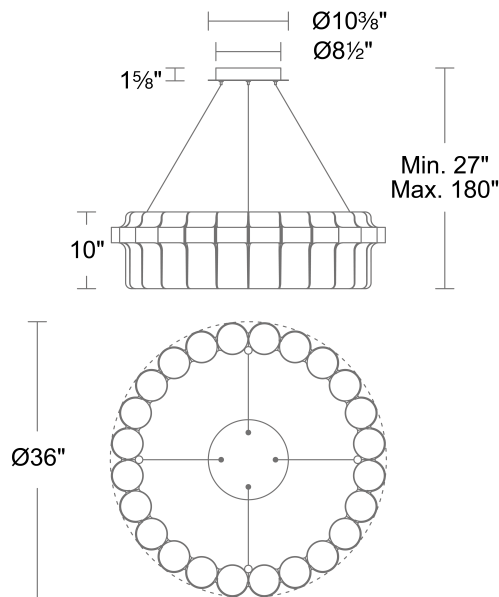

Architectural Light. Elevated Experience. The Gatlin Pendant brings bold architectural presence to modern interiors, pairing precision engineering with dramatic form. Designed with integrated up and downlight, Gatlin delivers layered illumination that enhances both ambiance and functionality — perfect for open-plan spaces, dining areas, or grand foyers. Its commanding circular frame and sleek suspension create a striking focal point that feels substantial yet refined. Equipped with 4CCT selectable color temperature, Gatlin lets you tailor the light from warm and inviting to crisp and contemporary. The result is more than illumination — it's an elevated lighting experience that defines the room and anchors the design.

FEATURES

- Driver concealed within the canopy
- Up and downward illumination
- Spin on round canopy with minimal hardware
- Thin, powered aircraft cables provide an ultraclean look for adjustable suspension height
- Built in color temperature adjustability. Switch from 2700K/3000K/3500K/4000K
