

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Unfold support arms of the fixture body (A).
4. Carefully place the short shade (B), the rubber washer (C), the tall shade (D) and the socket ring (E) over the socket on the fixture body (A) as shown.
5. Using the collar tool (G), thread the socket collar (F) onto the socket on the fixture body (A) to secure the shades and the socket ring (E). Hand-tighten until snug.
6. Refer to the additional installation instructions included with the product for wiring and installation.
7. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
8. Restore power to the installation point and retain this sheet for future reference.
