

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Unfold the arms of the fixture to desired positions
4. While threading wire through, attach the loop (4) onto the nipples (5), and attach the chain (3) to the loop (4).
5. Use the quick link to connect the chain (3) to the chain holder (2) on the canopy (1).
6. Mount the glass panel (8) in the fixture body (7) mounting frame, and press glass clip (6) the clamp on the up and down sides of the glass panel (7). This will firmly hold the glass in place inside the fixture mounting frame.
7. Install the Sleeve (9) onto the Socket (10).
8. Refer to the additional installation instructions included with the product for wiring and installation.
9. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage
10. Restore power to the installation point and retain this sheet for future reference.
