

ASSEMBLY INSTRUCTIONS

ITEM NO.:8-4030-2 & 8-6030-2

B → A → C

1. Carefully unpack and identify all parts referring to the illustration for parts identification.
2. Turn the power to the installation point **OFF**.
3. Refer to the additional installation instructions included with the product for the wiring and installation.
4. Place the glass (B) onto each socket on the fixture body (A) and secure with socket ring (C).
5. Install proper bulbs (not provided) into each socket referring to the markings and / or labels on the fixture for maximum wattage.
6. Restore power to the installation point and retain this sheet for future reference.

Important note:

Glass is hand blown. Each piece has a slight variance on thickness and weight. Do not mix the glass with those from other fixtures.
