

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Unfold the arms of the fixture to desired positions.
4. While threading wire through, assemble the rods (4) together using the nipples (3). Attach the bottom rod (4) onto the center tube (6) and attach the center tube (6) onto the nipple (7).
5. Secure the top of the rods (4) onto the loop (5).
3. Use quick link to connect loop (5) to the loop on the canopy (1) and twist the locking mechanism to secure.
4. Refer to the additional installation instructions included with the product for wiring and installation.
5. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
6. Restore power to the installation point and retain this sheet for future reference.
