

Project:

# Constellation Andromeda Chandelier

SKU: 2161.38C-T-J20

Constellation Andromeda chandeliers bring celestial imagery, limitless expansion and sculptural drama to any environment. LED hubs connected in linear strands of various lengths are suspended to form dramatically powerful luminance within a vertical space. Available in a variety of sizes and configurations, with lens options of crystal facets or soft white, Constellation Andromeda can also be customized for your project.

|-----------------------|---------------------|
| Height                | 76"                 |
| Diameter              | 6"                  |
| Hanging Details       | 20' Adjustable Cord |
| Shape                 | Round               |
| Size                  | Tall 6"             |
| Canopy/Backplate/Base | 6"                  |

## Electrical Specs

|                                 |                 |
|---------------------------------|-----------------|
| Bulb(s) Included?               | Yes             |
| Bulb 1 Type                     | Integral LED    |
| Total LED, Bulb or Socket Count | 18              |
| Input Voltage                   | 100-277VAC      |
| Wattage                         | 36              |
| Initial Lumens                  | 3970            |
| Delivered Lumens                | 2790            |
| Kelvin                          | 3000K           |
| CRI                             | 90              |
| Power Supply Type               | Driver          |
| Power Supply Quantity           | 1               |
| Power Supply Location           | Remote          |
| Dimming Type                    | TRIAC/ELV/0-10V |

## Installation

|                            |                                                        |
|----------------------------|--------------------------------------------------------|
| Installation               | Licensed electrician required, multi-step installation |
| Sloped Ceiling Compatible? | Compatible up to 45°                                   |
| Cord Length                | 20 ft                                                  |
| Minimum Hanging Height     | 77"                                                    |
| Maximum Hanging Height     | 197"                                                   |

## Diffuser(s), Shade(s) and Lens(es)

|               |                            |
|---------------|----------------------------|
| Diffuser Type | Clear Faceted Acrylic      |
| Lens Type     | Clear Faceted Acrylic Lens |

## General Listings

|               |                   |
