

Project:

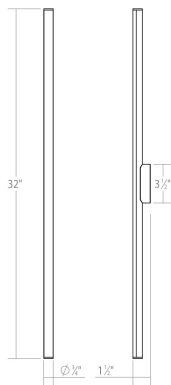

Fino LED Bath Bar

SKU: 3773.01

Ultra thin and minimally scaled, these slender bars of powerful light are mounted in a fixed position on a wall or ceiling. The softly shaped mounting brackets have radiused ends on their linear section, and are concealed by the fixture's body when viewed from the front. The mounting brackets can be mounted to a wall with the addition of a remotely placed LED driver. A 4.5" round [Fino Optional Wall Plate Kit](#) may be ordered separately if you have an outlet box behind the fixture that needs to be covered.

This family is also available as a [Pendant](#) and [Duo Pendant](#).
